

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Emergency Repair of Enze Pool to Applied Fiberglass Systems, Rancho Cordova, CA, in the Amount of \$31,961.00 and Appropriate Funds

MEETING DATE: April 18, 2001

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council award emergency repair work of Enze Pool to Applied Fiberglass Systems, Rancho Cordova, CA, and appropriate funds for the project.

BACKGROUND INFORMATION: In May/June of 1996, Enze Pool received a new hand laid fiberglass coating. Last year, a water return line broke in the bottom of the pool causing the fiberglass to blister and delaminate from the plaster pool shell.

Staff has hand sanded and patched small areas as recommended by the Health Department in order to operate the daily pool use. In order to open Enze Pool for our summer swim season, the blistered and delaminating fiberglass needs to be replaced. When the pool was fiberglassed five years ago, it was awarded through a sole source contract to Aqua Pool and Spa due to the hand laid application process and the lack of vendors specializing in this type of application. Unfortunately, Aqua Pool and Spa is no longer fiberglassing pools.

Staff contacted four pool service vendors, however, this company was the only one providing this type of hand laid fiberglass. Staff is recommending awarding this work to Applied Fiberglass Systems due to the scope of work and the necessity of performing the repair work in time for the summer aquatics programs. The current condition of the fiberglass poses a safety hazard to anyone using the pool due to sharp edges of the fiberglass that has blistered.

FUNDING: 2000/01 Contingency Fund

RESOLUTION NO. 2001-95

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING
EMERGENCY REPAIR OF ENZE POOL, AND FURTHER
APPROPRIATING FUNDS FOR THE PROJECT

=====

WHEREAS, Lodi Municipal Code, Section 3.20.070, authorizes dispensing with bids for purchases of supplies, services or equipment when it is in the best interest of the City to do so; and

WHEREAS, in May/June of 1996, Enze Pool received a new hand-laid fiberglass coating; and

WHEREAS, in 2000, a water return line broke in the bottom of the pool causing the fiberglass to blister and delaminate from the plaster pool shell; and

WHEREAS, staff has sanded and patched small areas as recommended by the Health Department in order to operate the daily pool use; and

WHEREAS, in order to open Enze Pool for the Summer 2001 swim season, the fiberglass needs to be replaced; and

WHEREAS, staff has contacted four pool service vendors, and only one vendor, Applied Fiberglass Systems, of Rancho Cordova, California, provides this type of hand-laid fiberglass; and

WHEREAS, staff therefore recommends authorizing that this work be performed by Applied Fiberglass Systems in the amount of \$31,961.00.

NOW, THEREFORE, BE IT RESOLVED, that the Lodi City Council hereby authorizes the emergency repair of Enze Pool to Applied Fiberglass Systems, of Rancho Cordova, in the amount of \$31,961.00; and

BE IT FURTHER RESOLVED, that funds in the amount of \$33,000.00 be appropriated for this project.
